

STREET SWEEPER LEAD OPERATOR

Class Definition

Under general supervision, operates a motor driven street sweeper and provides lead direction to other workers engaged in street and gutter cleaning operations.

Distinguishing Characteristics

Street Sweeper Lead Operator is the advanced working/lead level class in the Street Sweeper Operator series. Assigned to the Community Sanitation Division of the Department of Housing and Neighborhood Revitalization, incumbents operate a motor driven street sweeper to clean City streets and gutters and provides lead direction to other street sweeper operators and workers engaged in street and gutter cleaning operations. Incumbents may be assigned to any eight-hour shift. This class is distinguished from the Street Sweeper Operator II in that incumbents of the latter do not have on-going lead responsibility over other operators.
